

New MicroMak Images

Figure 1. MicroMak Full Scale Model Shown with Optical Head. In Operational Sensor, Optical Head sits inside the black cylinder at the bottom (see Figure 2).

(High resolution photo available at <http://www.smad.com/MicroMak1.jpg>)

Figure 2. MicroMak Model with Internal View Showing Optical Head Position Inside along with Light Baffling Structure (internal plates above optical head). (Note: The rectangular “window” is only to show internal structure and is not part of the design for operational sensor.)
